

# Spanish for Healthcare Professionals

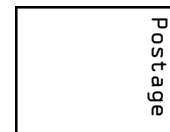

## Benefits:

- ◆ You'll be able to offer immediate help to your Spanish-speaking patients. No more waiting for an available translator!
- ◆ Increased efficiency. Save time for your patients and your department!
- ◆ Your patients will appreciate your efforts and feel more trusting of their health care facility.
- ◆ Your patients will feel less intimidated if they know they can be understood, especially at critical times.
- ◆ Your improved interactions with Spanish-speaking patients may lead to promotions.
